Summary

A motivated and tech-savvy manager with 2 years of experience working in the restaurant eco-system. Skills include public speaking, creative problem solving and beginner level programming. Able to communicate effectively with a team and very keen to develop more professional skills, such as computer networking.

Education

Caruthers High

High School Diploma

Caruthers, California

Graduated June 2015

During my time in high school, I joined a few clubs and academic groups such as the chess club, Doctors Academy, and Academic Decathlon. These activities kept me busy during and after school hours. The skills I have gained from these groups are how to think critically and work well with peers.

Employment History

Caruthers Unified School District

After School Teacher Assistant

Caruthers, California

September 2011 - June 2012

My duties were to assist the teacher in whatever he/she needs, as well as supervise the children. We kept a consistent schedule in which included homework, snack, break and activities sometimes involving themes for the holidays.

Me-n-Ed's Neighborhood Pizza Parlor

PIC (Management)

Kingsburg, California

July 2016 - Present

My job duty in the store is to manage the money, customers, and employees during all hours in and out of the store. During my time there I have gained the knowledge in how to properly communicate with customers, employees and give my 110% to ensure the store is run properly.

I have experience in running crews varying from small to large and have been taught/had the experience of what it takes to run a business.

Volunteer & Organizations

Some community events I volunteer with are backpack/school supply giveaways, Vacation Bible School, Community Christmas Party, and Community Outreach, always making sure to cover any area that for any reason needs additional help in these events. I assist with setting up/tearing down, as well.
